

ATTENTION !!

Tice & The Shores Moose Lodge 1297

Opening Update...As of May 4th 2020

Our tentative opening date will be May 18th.

This will depend on the Florida Governor declaring the state can move to Phase Two of the Florida State reopening schedule. We will be limited as to the distance each table can be placed next to the closest one and no groups larger than 10 people with a total occupancy of 50% or in our case about 70 people.

Please keep your eye on Face Book and or our website moose1297.org and we will keep you updated as things change. In the mean time please follow the recommended safe guards put in place by the president, our Florida governor and the CDC. Stay safe.
